The screenshot shows the Stripe Payments interface. At the top, there is a 'TEST DATA' label. Below it, the title 'Payments' is displayed. On the right, there are controls for '1 selected', 'Deselect', and a 'Refund' button with a keyboard shortcut 'ctrl + enter'. Below the title, there are tabs for 'All', 'Succeeded', 'Refunded', and 'Uncaptured'. The 'Succeeded' tab is active. The main content is a table with columns: AMOUNT, DESCRIPTION, CUSTOMER, and DATE. There are three rows of data, all with a 'Succeeded' status. The first row is selected with a blue checkmark. Below the table, it says '3 results' and there are 'Previous' and 'Next' buttons.
